

**International Association for Child and Adolescent
Psychiatry and Allied Professions
Association of Psychiatrists of Ukraine
International Association of Medicine**

Dear colleagues,

Let inform you that IACAPAP in cooperation with Association of Psychiatrists of Ukraine and Public organization International Association of Medicine (IAM) organize the Regional School for Eastern European Countries: "Child Mental Health Protection. Different theoretical models and scientific approaches" in Kyiv, Ukraine on 12th-14th of November 2018.

Organizing committee of IACAPAP Regional School invites you on the symposium that will be held in Hotel Rus, Kyiv, Ukraine (Hospitalna Str, 4).

The participation in this school can be a chance for specialist from Eastern European countries to increase the understanding of the principles of work in multidisciplinary teams in the field of the children's mental health, the interaction of specialists in different disciplines and possibility to discuss the clinical practice in the area of the intersection of competences of specialists in various disciplines (psychiatry and neurology, psychiatry and pediatry, psychiatry and psychology). The main emphasis is on the discussion of contradictions - and complementarities of various methodological approaches (biological psychiatry, cognitive-behavioral therapy, psychodynamic-oriented therapy). School will include lectures and workshops (analysis of clinical cases, training to acquire skills in the use of modern diagnostic tools and therapy skills) on each of the topics.

The School includes experts:

Bruno Falissard, MD, PhD, Past-President of the IACAPAP, Professor in Public Health, Université Paris-Sud, Paris, France;
